in each case in dematerialised form pursuant, and subject, to the Regulations. Title to shares of a particular class may only be evidenced otherwise than by a certificate where that class of shares is at the relevant time a class of participating securities. The Board may also, subject to compliance with the Regulations, determine at any time that title to any class of shares may from a date specified by the Board no longer be evidenced otherwise than by a certificate or that title to such a class shall cease to be transferred by means of any particular relevant system.

21. APPLICATION OF ARTICLES

If the Company has any shares in issue which are participating securities, and for so long as such shares remain as participating securities, these Articles will continue to apply to such shares, but only insofar as they are consistent with:

- 21.1 holding those shares in uncertificated form;
- 21.2 transferring ownership of those shares by using a relevant system;
- 21.3 any of the provisions of the Regulations; and
- 21.4 the exercise of any powers or functions by the Company or the effecting by the Company of any actions by means of a relevant system,

and, without prejudice to the generality of this Article, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent with the maintenance, keeping or entering up by the Operator, so long as that is permitted or required by the Regulations, of an Operator register of securities in respect of that class of shares in uncertificated form.

22. CHANGE BETWEEN UNCERTIFICATED AND CERTIFICATED FORM

Shares of a class which is at the relevant time a class of participating securities may be changed from uncertificated to certificated form, and from certificated to uncertificated form, in accordance with and subject as provided in the Regulations.

23. FORFEITURE, LIEN AND OTHER ENTITLEMENTS

Where any class of shares in the capital of the Company is a class of participating securities and the Company is entitled under any provisions of the Acts or the rules made and practices instituted by the Operator or under these Articles to sell, transfer or otherwise dispose of, forfeit, re-allot, accept the surrender of or otherwise enforce a lien over any shares which are held in uncertificated form, such entitlement (to the extent permitted by these Articles, the Acts, the Regulations and the rules made and practices instituted by the Operator) shall include the right of the Board to:

- 23.1** require the holder of the uncertificated shares by notice in writing to convert those shares from uncertificated to certificated form within such period as may be specified in the notice and keep them as certificated shares for as long as the Board requires;
- 23.2** appoint any person to take such other steps, by instruction given by means of a relevant system or otherwise, in the name of the holder of such shares as may be required to effect the transfer of such shares and such steps shall be as effective as if they had been taken by the registered holder of the shares concerned; and
- 23.3** take such other action that the Board considers appropriate to achieve the sale, transfer, disposal, forfeiture, re-allotment or surrender of those shares or otherwise to enforce a lien in respect of those shares.

24. UNCERTIFICATED SHARES TO BE TREATED SEPARATELY

Unless the Board determines otherwise, shares which a member holds in uncertificated form shall be treated as separate holdings from any shares which that member holds in certificated form but a class of shares shall not be treated as two classes simply because some shares of that class are held in certificated form and others in uncertificated form.

25. SHARES ISSUED FROM UNCERTIFICATED SHARES

Unless the Board determines otherwise or the Regulations require otherwise, any shares issued or created out of or in respect of any uncertificated shares shall be uncertificated shares and any shares issued or created out of or in respect of any certificated shares shall be certificated shares.

26. ISSUER RECORD OF SECURITIES

The Company shall be entitled to assume that the entries on any record of securities maintained by it in accordance with the Regulations and regularly reconciled with the relevant Operator register of securities are a complete and accurate reproduction of the particulars entered in the Operator register of securities and shall accordingly not be liable in respect of any act or thing done or omitted to be done by or on behalf of the Company in reliance upon such assumption. In particular, any provision of these Articles which requires or envisages that action will be taken in reliance on information contained in the Register shall be construed to permit that action to be taken in reliance on information contained in any relevant record of securities (as so maintained and reconciled).

SHARE CERTIFICATES

27. RIGHT TO SHARE CERTIFICATE

Every member (other than a person who is not entitled to a certificate under the law) upon becoming the holder of any shares in certificated form shall be entitled without payment to one certificate for all the shares of each class held by him in certificated form and, upon transferring a part of the shares comprised in a certificate, to a certificate for the balance of such shares held in certificated form. Shares of different classes may not be included in the same certificate. The Company shall not be bound to issue more than one certificate for shares held jointly by several persons and delivery of a certificate to one joint holder shall be a sufficient delivery to all of them.

28. EXECUTION OF SHARE CERTIFICATES

Share certificates of the Company (other than letters of allotment, scrip certificates and other like documents) shall, unless the Board by resolution otherwise determines, either generally or in any particular case or cases, be issued under the Seal or under any official seal kept by the Company by virtue of section 50 of the Act. Whether or not share certificates are issued under a seal, the Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any certificates for shares, stock or debenture or loan stock (except where the trust deed constituting any stock or debenture or loan stock provides to the contrary) or representing any other form of security of the Company need not be autographic but may be applied to the certificates by some mechanical means or may be printed thereon or that such certificates need not be signed by any person. Every share certificate shall specify the number and class of the shares to which it relates and the nominal value of and the amount paid up on such shares.

29. REPLACEMENT OF SHARE CERTIFICATES

If a share certificate is worn out, defaced, lost, stolen or destroyed, it may be renewed without payment of any fee (other than exceptional out-of-pocket expenses) but on such terms (if any) as to evidence and indemnity, with or without security and otherwise as the Board requires and, in the case of a worn out or defaced certificate, on delivery up of that certificate. In the case of loss, theft or destruction, the person to whom the new certificate is issued may be required to pay to the Company any exceptional out of pocket expenses incidental to the investigation of evidence of loss, theft or destruction and the preparation of the requisite form of indemnity.

30. SHARE CERTIFICATES SENT AT HOLDER'S RISK

Every share certificate sent in accordance with these Articles will be sent out at the risk of the member or other person entitled to the certificate. The Company will not be responsible for any share certificate lost or delayed in the course of delivery.

LIEN ON SHARES

31. COMPANY'S LIEN ON SHARES NOT FULLY PAID

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether in respect of the nominal value of the shares or by way of premium, and whether presently payable or not) payable at a fixed time or called in respect of that share. The Board may at any time declare any share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a share shall extend to any dividend or other amount payable in respect of it, to any share or security issued in right of it and (if the lien is enforced and the share is sold by the Company) the proceeds of the sale of that share.

32. ENFORCING LIEN BY SALE

The Company may sell in such manner as the Board determines any share on which the Company has a lien if the sum in respect of which the lien exists is presently payable and is not paid within 14 clear days after notice has been given to the holder of the share, or to the person entitled to it in consequence of the death or bankruptcy of the holder or otherwise by operation of law, demanding payment and stating that if the notice is not complied with the shares may be sold.

33. GIVING EFFECT TO A SALE

To give effect to a sale the Board may authorise some person to execute an instrument of transfer or otherwise effect the transfer of the shares sold to, or in accordance with the directions of, the purchaser. The purchaser shall not be bound to see to the application of the purchase moneys, and the title of the transferee to the shares shall not be affected by any irregularity in or invalidity of the proceedings relating to the sale.

34. APPLICATION OF PROCEEDS OF SALE

The net proceeds of the sale, after payment of the costs of sale, shall be applied in or towards payment of so much of the sum for which the lien exists as is presently payable, and any residue shall (upon surrender to the Company for cancellation of the certificate, if any, for the shares sold and subject to a like lien for any moneys not presently payable or any liability or engagement not likely to be presently fulfilled or discharged as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.

CALLS ON SHARES

35. CALLS

Subject to the terms of allotment, the Board may make calls upon the members in respect of any moneys unpaid on their shares (whether in respect of nominal value or premium) and each member shall (subject to at least 14 clear days' notice having been given specifying when and where payment is to be made) pay to the Company as required by

the notice the amount called on his shares. A call may be required to be paid by instalments. A call may, before receipt by the Company of any sum due thereunder, be revoked in whole or part and payment of a call may be postponed in whole or part. A person upon whom a call is made shall remain liable jointly and severally with the successors in title to his shares for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

36. WHEN CALL MADE

A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.

37. LIABILITY OF JOINT HOLDERS

The joint holders of a share shall be jointly and severally liable to pay all calls in respect of that share.

38. INTEREST DUE ON NON-PAYMENT

If a call remains unpaid after it has become due and payable the person from whom the sum is due and payable shall pay interest on the amount unpaid from the day it became due and payable until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (not exceeding five per cent. above the Bank of England base rate), but the Board may waive payment of the interest wholly or in part.

39. SUMS PAYABLE TREATED AS CALLS

An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made, notified and payable on a date on which, by the terms of allotment or in the notice of the call, it becomes payable and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.

40. POWER TO DIFFERENTIATE

Subject to the terms of allotment, the Board may make arrangements on the issue of shares for a difference between the holders in the amounts and times of payment of calls on their shares.

41. PAYMENT OF CALLS IN ADVANCE

The Board may, if it thinks fit, receive from any member willing to advance it all or any part of the moneys uncalled and unpaid upon any shares held by him, and may pay upon all or any of the moneys so advanced (until the same would but for such advance become presently payable) interest at the appropriate rate or at such other rate as may be agreed between the Board and such member (in each case not exceeding five per cent. above the Bank of England base rate), subject to any directions of the Company in general meeting. No sum paid in advance of calls shall entitle the holder of a share to any portion of a

dividend or other payment or distribution subsequently declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

FORFEITURE AND SURRENDER OF SHARES

42. NOTICE IF CALL NOT PAID

If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than 14 clear days' notice requiring payment of the amount unpaid together with any interest which may have accrued and any costs, charges and expenses incurred by the Company by reason of such non-payment. The notice shall name the place where payment is to be made and shall state that if the notice is not complied with the shares in respect of which the call was made will be liable to be forfeited.

43. FORFEITURE ON NON-COMPLIANCE WITH NOTICE

If the notice is not complied with any share in respect of which it was given may, before the payment required by the notice has been made, be forfeited by a resolution of the Board and the forfeiture shall include all dividends or other moneys payable in respect of the forfeited share and not paid before the forfeiture. Forfeiture shall be deemed to occur at the time of the passing of the said resolution of the Board. The Board may accept upon such terms and conditions as may be agreed a surrender of any share liable to be forfeited and, subject to such terms and conditions, a surrendered share shall be treated as if it had been forfeited.

44. DISPOSAL OF FORFEITED SHARES

Subject to the provisions of the Acts and these Articles, a forfeited share shall be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Board determines either to the person who was before the forfeiture the holder or to any other person and at any time before sale, re-allotment or other disposition the forfeiture may be cancelled on such terms as the Board thinks fit provided that the Company shall not exercise any voting rights in respect of such share and any such share not disposed of in accordance with the foregoing within a period of three years from the date of its forfeiture or surrender shall thereupon be cancelled in accordance with the provisions of the Acts. Where for the purposes of its disposal a forfeited share is to be transferred to any person the Board may authorise some person to execute an instrument of transfer or otherwise effect the transfer of the share to that person.

45. EFFECT OF FORFEITURE

A person any of whose shares have been forfeited shall cease to be a member in respect of them and shall surrender to the Company for cancellation the certificate, if any, for the shares forfeited but shall remain liable to the Company for all moneys which at the date of forfeiture were presently payable by him to the Company in respect of those shares

with interest at the rate at which interest was payable on those moneys before the forfeiture or, if no interest was so payable, at the appropriate rate (not exceeding five per cent. above the Bank of England base rate) from the date of the forfeiture until payment but the Board may waive payment wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or for any consideration received on their disposal.

46. STATUTORY DECLARATION AS TO FORFEITURE

A statutory declaration by a Director or the Secretary that a share has been forfeited or sold to satisfy a lien of the Company on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share and the declaration shall (subject to the execution of an instrument of transfer if necessary) constitute a good title to the share and the person to whom the share is disposed of shall not be bound to see to the application of the consideration, if any, nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings relating to the forfeiture, sale or disposal of the share.

TRANSFER OF SHARES

47. FORM OF TRANSFER

A share held in certificated form may be transferred by an instrument of transfer in any usual form or in any other form which the Board may approve, which shall be executed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of the transferee. A share held in uncertificated form may be transferred by means of a relevant system and, accordingly, no provision of these Articles shall apply in respect of an uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a share certificate for such share. The transferor shall be deemed to remain the holder of the share until the transferee is entered on the Register as its holder.

48. REFUSAL OF REGISTRATION OF PARTLY-PAID SHARE

The Board may, in the case of shares held in both certificated and uncertificated form, in its absolute discretion refuse to register the transfer of a share which is not fully paid provided that, where any such shares are admitted to the Official List of the Financial Conduct Authority, such discretion may not be exercised in such a way as to prevent dealings in the shares of that class from taking place on an open and proper basis.

49. RIGHTS TO REFUSE REGISTRATION OF CERTIFICATED SHARES

49.1 The Board may also refuse to register a transfer of shares held in certificated form unless the instrument of transfer is:-

49.1.1 duly stamped or duly certified or otherwise shown to the satisfaction of the Board to be exempt from stamp duty, lodged at the Office or at such other place as the Board may appoint and (save in the case of a transfer by a person

to whom no certificate was issued in respect of the shares in question) accompanied by the certificate for the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do;

49.1.2 in respect of only one class of shares; and

49.1.3 in favour of not more than four transferees.

50. RIGHTS TO REFUSE REGISTRATION OF UNCERTIFICATED SHARES

Registration of transfers of uncertificated shares may be refused in the circumstances set out in the Regulations, including where the number of joint holders to whom the share is to be transferred exceeds four.

51. NOTICE OF REFUSAL

If the Board refuses to register a transfer of shares, it shall as soon as practicable and in any event within two months after the date on which the transfer was lodged with the Company (or in the case of uncertificated shares the date on which the Operator-instruction was received) send to the transferee notice of the refusal together with its reasons for the refusal.

52. NO FEE FOR REGISTRATION

No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share or for making any entry in the Register affecting the title to any share.

53. RETENTION OF TRANSFERS

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Board refuses to register (except in the case of fraud) shall be returned to the person lodging it when notice of the refusal is given.

54. RENUNCIATION DEEMED TO BE A TRANSFER

Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment of any share by the allottee in favour of some other person. For all purposes of these Articles relating to the registration of transfers of shares (but, for the avoidance of doubt, not for the purposes of Article 19.1.4), the renunciation of the allotment of any shares by the allottee in favour of some other person shall be deemed to be a transfer and the Board shall have the same powers of refusing to give effect to such a renunciation as if it were a transfer.

TRANSMISSION OF SHARES

55. TRANSMISSION ON DEATH

If a member dies the survivor or survivors where he was a joint holder, and his personal representatives where he was a sole holder or the only survivor of joint holders, shall be the only persons recognised by the Company as having any title to his interest, but nothing contained in these Articles shall release the estate of a deceased member from any liability in respect of any share which had been held (whether solely or jointly) by him.

56. ELECTION OF PERSON ENTITLED BY TRANSMISSION

A person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise by operation of law may, upon such evidence being produced as the Board may properly require and subject as subsequently provided in these Articles, elect either to become the holder of the share or to have some person nominated by him registered as the transferee. If he elects to become the holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall, if the share is held in certificated form, execute an instrument of transfer of the share to that person or, if the share is held in uncertificated form, transfer the share to that person by way of a relevant system. All the provisions of these Articles relating to the transfer and the registration of transfers of shares (including any right to refuse to register any transfer) shall apply to the notice or transfer as if it were a transfer by the member and the death or bankruptcy of the member or other event giving rise to the entitlement had not occurred.

57. RIGHTS OF PERSON ENTITLED BY TRANSMISSION

Subject to any other provisions of these Articles, a person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise by operation of law shall have the rights to which he would be entitled if he were the holder of the share, except that he shall not, before being registered as the holder of the share, be entitled in respect of it to receive notice of or to attend or vote at any meeting of the Company or at any separate meeting of the holders of any class of shares in the Company. The Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within 60 days the Board may thereafter withhold payment of all dividends or other moneys payable in respect of the share until the requirements of the notice have been complied with.

UNTRACEABLE SHAREHOLDERS

58. POWER TO SELL SHARES

- 58.1** The Company shall be entitled to sell at the best price reasonably obtainable any shares of a member or the shares to which a person is entitled by virtue of transmission on death or bankruptcy or otherwise by operation of law if and provided that:

- 58.1.1** for a period of twelve years, no cash dividend payable in respect of the shares has been claimed, no cheque or warrant sent by the Company through the post in a pre-paid envelope addressed to the member or to the person entitled to the shares at his address on the Register or (if different) the last known address given by the member or the person so entitled to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the member or the person so entitled (in his capacity as member or person entitled);
- 58.1.2** in such period of twelve years at least three dividends (whether interim or final) have become payable on the shares;
- 58.1.3** the Company has, at the expiration of the said period of twelve years, sent a notice to the address referred to in Article 58.1.1 of its intention to sell such shares and, before sending such notice, the Company is satisfied that it has taken such steps as it considers reasonable in the circumstances to trace the member or other person entitled, including engaging, if considered appropriate in relation to such share and at the cost of such shareholder (deducted from the dividends payable), a professional asset reunification company or other tracing agent;
- 58.1.4** during the period of three months following the date of such notice and prior to the exercise of the power of sale, the Company has received no communication in respect of such share from such member or person entitled; and
- 58.1.5** if the shares are admitted to the Official List or dealt in on the London Stock Exchange, the Company has given notice to the Financial Conduct Authority of its intention to sell such shares.
- 58.2** If at any time during the said period of twelve years further shares have been issued in right of those held at the commencement of that period or of any issued in right during that period and, since the date of issue, the requirements of Articles 58.1.1 to Article 58.1.5 have been satisfied in respect of such further shares, the Company may also sell the further shares.

59. PROCEDURE ON SALE

To give effect to a sale pursuant to the preceding Article the Board may authorise some person to execute an instrument of transfer or otherwise effect the transfer of the shares to be sold. If the shares concerned are in uncertificated form, in accordance with the Regulations, the Company may issue a written notification to the Operator requiring conversion of the shares into certificated form. The purchaser shall not be bound to see to the application of the purchase moneys and the title of the transferee to the shares shall not be affected by any irregularity in or invalidity of the proceedings relating to the sale. The net proceeds of sale shall belong to the Company which shall be obliged to account to the former member or other person previously entitled to the shares for an

amount equal to the net proceeds, which shall be a debt of the Company, and (until the Company has so accounted) shall enter the name of such former member or other person in the books of the Company as a creditor for such amount. No trust shall be created and no interest shall be payable in respect of the debt, and the Company shall not be required to account for any money earned on the net proceeds, which may be employed in the business of the Company or invested in such investments for the benefit of the Company (other than shares of the Company or its holding company (if any)) as the Board may from time to time determine. If no valid claim for the net proceeds has been received by the Company during a period of six years from the date upon which the relevant shares were sold by the Company in accordance with these Articles, the net proceeds will be forfeited and will belong to the Company.

DISCLOSURE OF INTERESTS

60. DISCLOSURE OF INTERESTS

60.1 For the purposes of this Article, unless the context otherwise requires:

60.1.1 "**disclosure notice**" means a notice issued by or on behalf of the Company requiring disclosure of interests in shares pursuant to section 793 and sections 821 to 825 of the Act;

60.1.2 "**specified shares**" means all or, as the case may be, some of the shares specified in a disclosure notice;

60.1.3 "**restrictions**" means one or more, as the case may be, of the restrictions referred to in Article 60.3;

60.1.4 "**restriction notice**" means a notice issued by or on behalf of the Company stating, or substantially to the effect, that (until such time as the Board determines otherwise pursuant to Article 60.4) the specified shares referred to therein shall be subject to one or more of the restrictions stated therein;

60.1.5 "**restricted shares**" means all or, as the case may be, some of the specified shares referred to in a restriction notice;

60.1.6 a person other than the member holding a share shall be treated as appearing to be interested in that share if:

(a) the member has informed the Company, whether under any statutory provision relating to disclosure of interests or otherwise, that the person is, or may be, or has been at any time during the three years immediately preceding the date upon which the disclosure notice is issued, so interested; or

(b) the Board (after taking account of any information obtained from the member or, pursuant to a disclosure notice, from any other person) knows or has reasonable cause to believe that the person

is, or may be, or has been at any time during the three years immediately preceding the date upon which the disclosure notice is issued, so interested; or

- (c) in response to a disclosure notice, the member or any other person appearing to be so interested has failed to establish the identities of all those who are so interested and (after taking into account the response and any other relevant information) the Board has reasonable cause to believe that such person is or may be so interested;

60.1.7 "**connected**" shall have the meaning given to it in sections 1122 and 1123 of the Corporation Tax Act 2010;

60.1.8 "**interested**" shall be construed as it is for the purpose of section 793 and sections 821 to 825 of the Act;

60.1.9 "**recognised investment exchange**" shall have the same meaning as in the Financial Services and Markets Act 2000 (as amended); and

60.1.10 for the purposes of Articles 60.2.2 and 60.4 the Company shall not be treated as having received the information required by the disclosure notice in accordance with the terms of such disclosure notice in circumstances where the Board knows or has reasonable cause to believe that the information provided is false or materially incorrect.

60.2 Notwithstanding anything in these Articles to the contrary, if:

60.2.1 a disclosure notice has been served on a member or any other person appearing to be interested in the specified shares; and

60.2.2 the Company has not received (in accordance with the terms of such disclosure notice) the information required therein in respect of any of the specified shares within 14 days after the service of such disclosure notices;

then the Board may (subject to Article 60.7) determine that the member holding the specified shares shall, upon the issue of a restriction notice referring to those specified shares in respect of which information has not been received, be subject to the restrictions referred to in such restriction notice, and upon the issue of such restriction notice such member shall be so subject. As soon as practicable after the issue of a restriction notice the Company shall serve a copy of the notice on the member holding the specified shares.

60.3 The restrictions which the Board may determine shall apply to restricted shares pursuant to this Article shall be one or more, as determined by the Board, of the following:

60.3.1 that the member holding the restricted shares shall not be entitled, in respect of the restricted shares, to attend or be counted in the quorum or vote either personally or by proxy or by representative at any general meeting or at any

separate meeting of the holders of any class of shares or upon any poll or to exercise any other right or privilege in relation to any general meeting or any meeting of the holders of any class of shares;

60.3.2 that no transfer (other than a transfer described in Article 60.4 below) of the restricted shares shall be effective or shall be registered by the Company, unless (a) the holder is not himself in default as regards supplying the information required and (b) the holder proves to the satisfaction of the Board that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer (and, for the purpose of ensuring this Article can apply to all shares held by the holder, the Company may, in accordance with the Regulations, issue a written notification to the Operator requiring the conversion into certificated form of any shares held by the holder in uncertificated form);

60.3.3 that no dividend (or other moneys payable) shall be paid in respect of the restricted shares and that, in circumstances where an offer of the right to elect to receive shares instead of cash in respect of any dividend is or has been made, any election made thereunder in respect of such specified shares shall not be effective.

60.4 The Board may determine that one or more of the restrictions imposed on restricted shares shall cease to apply at any time. If the Company receives in accordance with the terms of the relevant disclosure notice the information required therein in respect of the restricted shares, all restrictions imposed on the restricted shares shall cease to apply seven days after receipt of the information. In addition, in the event that the Company receives notice of a transfer in respect of all or any restricted shares, which would otherwise be given effect to, pursuant to a sale:

60.4.1 on a recognised investment exchange; or

60.4.2 on any stock exchange outside the United Kingdom on which the Company's shares are normally dealt; or

60.4.3 on the acceptance of a takeover offer (as defined in sections 974 to 976 and 991 of the Act) for the shares of the class of which such restricted shares form part,

to a party not connected with the member holding such restricted shares or with any other person appearing to be interested in such restricted shares, then all the restrictions imposed on such restricted shares shall cease to apply with effect from the date on which any such notice as aforesaid is received by the Company, provided always that if, within ten days after such receipt, the Board decides that it has reasonable cause to believe that the change in the registered holder of such restricted shares would not be as a result of an arm's length sale resulting in a material change in the beneficial interests in such restricted shares, the restrictions imposed on the restricted shares shall continue to apply.

- 60.5** Where the Board makes a decision pursuant to the proviso to Article 60.4, the Company shall notify the purported transferee of such decision as soon as practicable and any person may make representations in writing to the Board concerning any such decision. The Company shall not be liable to any person as a result of having imposed restrictions or deciding that such restrictions shall continue to apply if the Board acted in good faith.
- 60.6** Where dividends or other moneys are not paid as a result of restrictions having been imposed on restricted shares, such dividends or other moneys shall accrue and, upon the relevant restriction ceasing to apply, shall be payable (without interest) to the person who would have been entitled had the restriction not been imposed.
- 60.7** Where the aggregate number of shares of the same class as the specified shares in which any person appearing to be interested in the restricted shares (together with persons connected with him appears to be interested) represents less than 0.25 per cent (in nominal value) of the shares of that class in issue (excluding any shares of that class held as treasury shares) at the time of service of the disclosure notice in respect of such specified shares only the restriction referred to in Article 60.3.1 may be determined by the Board to apply.
- 60.8** Shares issued in right of restricted shares shall on issue become subject to the same restrictions whilst held by that member as the restricted shares in right of which they are issued. For this purpose, shares which are allotted or offered or for which applications are invited (whether by the Company or otherwise) pro rata (or pro rata ignoring fractional entitlements and shares not allocated to certain members by reason of legal or practical problems associated with offering shares outside the United Kingdom) shall be treated as shares issued in right of restricted shares.
- 60.9** The Board shall at all times have the right, at its discretion, to suspend, in whole or in part, any restriction notice given pursuant to this Article either permanently or for any given period and to pay to a trustee any dividend payable in respect of any restricted shares or in respect of any shares issued in right of restricted shares. Notice of any suspension, specifying the sanctions suspended and the period of suspension, shall be given to the relevant holder in writing within seven days after any decision to implement such a suspension.
- 60.10** The limitations on the powers of the Board to impose and retain restrictions under this Article are without prejudice to the Company's power to apply to the court pursuant to the Acts to apply these or any other restrictions on any conditions.

ALTERATION OF CAPITAL

61. CONSOLIDATION AND SUB-DIVISION

61.1 The Company may subject to the passing of a resolution authorising it to do so in accordance with the Act and these Articles:

- 61.1.1** consolidate and divide all or any of its share capital into shares of a larger nominal amount than its existing shares;

61.1.2 sub-divide its shares or any of them into shares of smaller nominal amount, provided that in the sub-division, consolidation or division, the proportion between the amount paid and the amount, if any, unpaid on each resulting share shall be the same as it was in the case of the share from which that share is derived; and

61.1.3 the resolution pursuant to which any share is sub-divided may determine that as between the resulting shares one or more of such shares may be given any preference or advantage or be subject to any restriction as regards dividend, capital, voting or otherwise over the others or any other of such shares.

62. FRACTIONS OF SHARES

Upon any consolidation of shares into shares of larger amount the Board may settle any difficulty which may arise with regard to such consolidation and in particular may, as between the holders of shares so consolidated, determine which shares are consolidated into each consolidated share and, in the case of any shares registered in the name of one member being consolidated with shares registered in the name of another member, the Board may make such arrangements for the allotment, acceptance and/or sale of shares representing fractional entitlements to the consolidated share or for the sale of the consolidated share and may sell the fractions or the consolidated share either upon the market or otherwise to such person at such time and at such price as it may think fit. For the purposes of giving effect to any such sale the Board may authorise some person to execute an instrument of transfer of the shares or fractions sold to, or in accordance with the directions of, the purchaser. The purchaser shall not be bound to see to the application of the purchase moneys nor shall his title to such shares be affected by any irregularity in or invalidity of the proceedings relating to the sale. The Board shall distribute the net proceeds of sale among such members rateably in accordance with their rights and interests in the consolidated share or the fractions provided that the Board shall have power when making such arrangements to determine that no member shall be entitled to receive such net proceeds of sale unless his entitlement exceeds such amount as the Board shall determine (not exceeding £5 per holding) and if the Board exercises such power the net proceeds of sale not distributed to members as a result shall belong absolutely to the Company.

63. REDUCTION OF SHARE CAPITAL

Subject to the provisions of the Acts and these Articles, the Company may by special resolution reduce its share capital, any capital redemption reserve, any share premium account and any redenomination reserve in any way.

GENERAL MEETINGS

64. ANNUAL GENERAL MEETINGS

All meetings other than annual general meetings shall be called general meetings.

65. CALLING OF GENERAL MEETINGS

The Board may call general meetings and, on the requisition of members pursuant to the provisions of the Acts and these Articles, shall forthwith convene a general meeting. If there are not sufficient Directors capable of acting to call a general meeting, any Director may call a general meeting. If there is no Director able to act, any two members may call a general meeting for the purpose of appointing Directors.

66. FORM OF GENERAL MEETINGS

66.1 In these Articles:

66.1.1 a "physical meeting" means a general meeting held and conducted by physical attendance by members and/or proxies at a particular place; and

66.1.2 a "hybrid meeting" means a general meeting held and conducted by both physical attendance by members and/or proxies at a particular place and by members and/or proxies also being able to attend and participate by electronic means without needing to be in physical attendance at that place.

66.2 The Board may decide in relation to any general meeting (including a postponed or adjourned meeting) whether the general meeting is to be held as a physical meeting or as a hybrid meeting and shall, for the avoidance of doubt, be under no obligation to convene a meeting as a hybrid meeting whatever the circumstances.

66.3 Subject to the requirements of the Act, the Board may make such arrangements as they may decide in connection with the facilities for participation by electronic means in a hybrid meeting. In the case of a hybrid meeting, the provisions of these Articles shall be treated as modified to permit any such arrangements and, in particular:

66.3.1 references in these Articles to attending and being present at the meeting, including in relation to the quorum for the meeting and the right to vote at the meeting, shall be treated as including participating in the meeting by electronic means;

66.3.2 the meeting shall be duly constituted and its proceedings valid if the chairman of the meeting is satisfied that adequate facilities have been made available so that all persons (being entitled to do so) attending the hybrid meeting by electronic means, may:

- (a) participate in the business for which the meeting has been convened;
- (b) hear all persons who speak at the meeting whether by the use of microphones, loudspeakers, audio-visual communications equipment or otherwise; and
- (c) be heard by all other persons present at the meeting,

but under no circumstances shall the inability of one or more members or proxies to access, or continue to access, the facilities for participation in the meeting despite adequate facilities being made available by the Company, affect the validity of the meeting or any business conducted at the meeting, provided that the meeting is quorate;

- 66.3.3** all resolutions put to members at a hybrid meeting, including in relation to procedural matters, shall be decided on a poll;
 - 66.3.4** the Board may authorise any voting application, system or facility in respect of the electronic platform for the hybrid general meetings as it may see fit; and
 - 66.3.5** if it appears to the chairman of the meeting that the electronic facilities for a hybrid meeting have become inadequate for the purpose of holding the meeting then the chairman of the meeting may, with or without the consent of the meeting, interrupt or adjourn the meeting (before or after it has started) and the provisions in Article 77 shall apply to any such adjournment. All business conducted at the hybrid meeting up to the point of the adjournment shall be valid.
- 66.4** In relation to electronic participation at a general meeting, the right of a member to participate electronically shall include without limitation the right to speak, vote on a poll, be represented by a proxy and have access (including electronic access) to all documents which are required by law or these Articles to be made available at the meeting.
- 66.5** If, after the sending of notice of a hybrid meeting but before the meeting is held (or after the adjournment of a hybrid meeting but before the adjourned meeting is held), the Board considers that it is impracticable or unreasonable to hold the meeting at the time specified in the notice of meeting using the electronic facilities stated in the notice of meeting or made available prior to the meeting, it may change the meeting to a physical meeting, change the electronic facilities (and make details of the new facilities available in the manner stated in the notice of meeting), and/or postpone the time at which the meeting is to be held.
- 66.6** An adjourned general meeting or postponed general meeting may be held as a physical meeting or a hybrid meeting irrespective of the form of the general meeting which was adjourned or postponed.
- 66.7** The Board or the chairman of the meeting may make any arrangement and impose any requirement or restriction it or he considers appropriate to ensure the security of a hybrid meeting including, without limitation, requirements for evidence of identity that is:
- 66.7.1** necessary to ensure the identification of those taking part and the security of the electronic communication, and
 - 66.7.2** proportionate to those objectives.

NOMINATION NOTICES

67. NOMINATION NOTICES

67.1 This Article 67 applies where a member nominates another person to enjoy Information Rights pursuant section 146 of the Act.

67.2 The Company may prescribe the form and content of Nomination Notices. Unless the Company prescribes otherwise, a Nomination Notice shall:

67.2.1 state the name and address of the person nominated;

67.2.2 confirm that the member holds shares in the Company on behalf of the person nominated pursuant to the Nomination Notice;

67.2.3 specify whether the person nominated wishes to receive Shareholder Information in hard copy form, in electronic form or by website communication and include any further information which the Company will need in order to use the means of communication specified;

67.2.4 indicate whether the Information Rights are to be enjoyed only by the person nominated, or whether the member giving the notice may also continue to enjoy them;

67.2.5 specify the date from which it is to take effect;

67.2.6 specify the date on which it is to cease to have effect, or that it is to have effect until further notice or until the member concerned transfers or ceases to hold any shares in the Company; and

67.2.7 be executed by or on behalf of the member and the person nominated.

67.3 Subject to these Articles, the Company shall give effect to any Nomination Notice received by it in accordance with these Articles but in accordance with section 146(5) of the Act shall not be obliged to act on a nomination purporting to relate to certain Information Rights only.

67.4 A nomination made by Nomination Notice shall cease to have effect:

67.4.1 in accordance with its terms; or

67.4.2 in accordance with sections 148(3), 148(5) or 148(7) of the Act.

67.5 If the Company receives a document which purports to be a Nomination Notice but which does not contain the required information or which is not given in the form prescribed by the Company, the Company shall give effect to it in accordance with section 147(5) of the Act to the extent that it is able to do so and shall notify the member that it is incomplete (and in what respect it is incomplete) and that the Company cannot give full effect to it in its present form.

- 67.6** The Company shall be entitled to treat a Nomination Notice as surviving a subdivision, consolidation or reclassification of the Company's share capital.
- 67.7** The Company shall keep a record of all Nomination Notices which are in force.
- 67.8** The Company shall provide any member, on request and without charge, with a copy of the records of Nomination Notices given by that member in so far as it is able to do so.
- 67.9** The Company may fix a record date for the enjoyment of Information Rights or for the circulation of Shareholder Information to persons nominated by Nomination Notices.

NOTICE OF GENERAL MEETINGS

68. LENGTH OF NOTICE

An annual general meeting shall be called by at least 21 clear days' notice. Every other general meeting shall, subject to the provisions of the Act, be called by at least 14 clear days' notice. Subject to the provisions of these Articles and to any restrictions imposed on any shares, every notice of meeting shall be given to all the members, all other persons who are at the date of the notice entitled to receive notices from the Company and to the Directors and Auditors.

69. CONTENTS OF NOTICE

Every notice of meeting shall specify the place, the day and the time of the meeting and the general nature of the business to be transacted and, in the case of an annual general meeting, shall specify the meeting as such. Subject to Article 19, neither the Board, nor any Director shall propose any resolution, save as required by law, without the consent in writing of the holder of the B Share. Every notice calling a meeting for the passing of a special resolution shall specify the intention to propose the resolution as a special resolution and the terms of the resolution. Every notice of meeting shall state with reasonable prominence that a member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not be a member.

70. OMISSION OR NON-RECEIPT OF NOTICE

The accidental failure to give notice of a meeting, or a resolution intended to be moved at a general meeting or to send an instrument of proxy or invitation to appoint a proxy as provided by these Articles, to any one or more persons entitled to receive the same other than the holder of the B Share, or the non-receipt of a notice of meeting or resolution or instrument of proxy or invitation to appoint a proxy by such persons other than the holder of the B Share (whether or not the Company is aware of such omission or non-receipt), shall be disregarded for the purpose of determining whether notice of the meeting or of any resolution to be moved at the general meeting is duly given.

71. CHANGING THE TIME, DATE OR PLACE OF OR POSTPONING A MEETING

If the Board decides that it is impractical or unreasonable for any reason to hold a general meeting at the time, date or place and, if applicable, the electronic platform(s) set out in the notice of the meeting, it can change the time, date or place and, if applicable, electronic platform(s) or postpone the meeting (or both). Subject to the Act, if the Board does this, an announcement of the time, date or place and, if applicable, electronic platform(s) of the re-arranged meeting will, if practical, be advertised in such manner as the Board, in its absolute discretion, may determine. Notice of the business of the meeting does not need to be given again. The Board must take reasonable steps to ensure that any member trying to attend the meeting at the original time, date, place and, if applicable, electronic platform is informed of the new arrangements. If a meeting is re-arranged in this way, proxy forms can be delivered as specified in Article 94. The Board can also change the place and, if applicable, electronic platform(s) of the re-arranged meeting or postpone the re-arranged meeting (or both) under this Article.

PROCEEDINGS AT GENERAL MEETINGS

72. QUORUM

No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business. The absence of a quorum shall not preclude the appointment of a chairman in accordance with the provisions of these Articles, which shall not be treated as part of the business of the meeting. Two persons present in person being either members or representatives (in the case of corporate members) or proxies appointed by members in relation to the meeting and entitled to vote upon the business to be transacted at the meeting shall be a quorum.

73. PROCEDURE IF QUORUM NOT PRESENT

If a quorum is not present within 30 minutes (or such longer time not exceeding one hour as the Chairman may decide to wait) from the time appointed for the meeting, the meeting, if convened on the requisition of or by the members, shall be dissolved. In any other case, the meeting shall stand adjourned to such time, date (being not less than 10 clear days after the meeting) and place as the directors may, subject to the provisions of the Acts, determine. At such adjourned meeting a quorum shall be two persons present in person being either members or representatives (in the case of corporate members) or proxies appointed by members in relation to the meeting and entitled to vote. If at the adjourned meeting a quorum is not present within 30 minutes after the time appointed for the holding of the meeting, the meeting shall be dissolved.

74. SECURITY ARRANGEMENTS

74.1 The Board may make any security arrangements which it considers appropriate relating to the holding of a general meeting of the Company including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, arranging for any person attending a meeting to be searched and for items of personal

property which may be taken into a meeting to be restricted. A Director or the Secretary may:

74.1.1 refuse entry to a meeting to any person who refuses to comply with any such arrangements; and

74.1.2 eject from a meeting any person who causes the proceedings to become disorderly.

75. CHAIRMAN

The chairman (if any) of the Board or in his absence the deputy chairman (if any) shall preside as chairman at every general meeting of the Company. If there is no such chairman or deputy chairman present and willing to act as chairman at any meeting within five minutes after the time appointed for holding the meeting the Directors present shall choose one of their number to be chairman and, if there is only one Director present and willing to act, he shall be chairman. If no Director is willing to act as chairman, or if no Director is present within five minutes after the time appointed for holding the meeting, the members present in person or by proxy or by corporate representative and entitled to vote shall choose one of their number to be chairman of the meeting. In the case of an equality of votes, whether on a show of hands or a poll, without prejudice to the rights of the holder of the B Share, the chairman of a meeting shall not be entitled to a second or casting vote.

76. DIRECTOR'S RIGHT TO ATTEND AND SPEAK

A Director shall be entitled to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares in the Company, notwithstanding that he is not a member, or not a holder of the class of shares in question.

77. ADJOURNMENT OF A QUORATE MEETING

77.1 The chairman of a meeting at which a quorum is present may, with the consent of the meeting and, if present, the holder of the B Share (and shall if so directed by the meeting), adjourn the meeting from time to time (or indefinitely) and from place to place and, if it appears to the chairman that it is likely to be impracticable to hold or continue the meeting, because of the number of persons wishing to attend who are not present, or the unruly conduct of persons attending the meeting prevents or is likely to prevent the continuation of the business of the meeting, or an adjournment is otherwise necessary so that the business of the meeting may be properly conducted, he may adjourn the meeting to another time and place without the consent of the meeting. No business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for 30 days or more (otherwise than due to the absence of a quorum) or without a time and place for the adjourned meeting being fixed, at least seven clear days' notice, specifying the place, the day and the time of the adjourned meeting and the general nature of the business to be transacted, shall be given in any manner in which notice of a meeting

may lawfully be given from time to time. Otherwise it shall not be necessary to give any such notice, save as provided in these Articles.

77.2 If it appears to the chairman of the meeting that the place of the meeting specified in the notice convening the meeting is inadequate to accommodate all persons entitled and wishing to attend, the meeting shall nevertheless be duly constituted and its proceedings are valid if (in addition to the other provisions of these Articles relating to general meetings) the chairman of the meeting is satisfied that there are adequate facilities to enable each person who is unable to be accommodated to participate in the business for which the meeting has been convened, hear all persons present who speak, whether by the use of microphones, loudspeakers, audio-visual communications equipment or otherwise (whether in use when these Articles are adopted or developed subsequently) and have access (whether physically or in electronic form) to all documents which are required by the Acts and these Articles to be made available at the meeting. Each person present at each place in person or by proxy and entitled to vote shall be counted in the quorum for, and shall be entitled to vote at, the meeting. The meeting is deemed to take place at the place at which the chairman of the meeting is present.

78. AMENDMENTS TO RESOLUTIONS

No amendment or proposed amendment to a resolution shall be considered or voted upon by the members at any general meeting or adjourned general meeting unless:

78.1.1 in the case of a resolution duly proposed as a special resolution it is a mere clerical amendment to correct a patent error; or

78.1.2 in the case of a resolution duly proposed as an ordinary resolution either the Company shall have received written notice of the amendment or proposed amendment and of the intention of the proposer to attend and propose it at least 48 hours before the time fixed for the general meeting or the chairman of the meeting in his absolute discretion shall decide that the amendment or amended resolution should be considered and put to the vote.

With the consent of the chairman, any resolution and any amendment to a resolution may be withdrawn by its proposer (or the Board in the case of a resolution proposed by the Board) before it is put to the vote. If the chairman of the meeting in good faith rules an amendment to a resolution out of order, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. The Company shall promptly deliver a copy of any amendment or proposed amendment to the holder of the B Share.

79. METHOD OF VOTING AND DEMAND FOR A POLL

Subject to Article 66.3.3, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, or on the withdrawal of any other demand for a poll, a poll is demanded by:

79.1 the chairman of the meeting; or

- 79.2** at least five members present in person or by proxy or by representative (in the case of a corporate member) having the right to vote on the resolution; or
- 79.3** a member or members present in person or by proxy or by representative (in the case of a corporate member) and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting (excluding any voting rights attached to any shares held as treasury shares); or
- 79.4** a member or members present in person or by proxy or by representative (in the case of a corporate member) holding shares in the Company conferring a right to vote on the resolution, being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right (excluding any shares conferring a right to vote on the resolution which are held as treasury shares),
- and a demand by a person as proxy for or representative of a member shall be the same as a demand by the member.

80. DECLARATION BY CHAIRMAN

Unless a poll is duly demanded and the demand is not withdrawn or the holder of the B Share has voted against the resolution, a declaration by the chairman of the meeting that a resolution has been passed or passed unanimously, or by a particular majority, or lost, or not passed by a particular majority or an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

81. WITHDRAWAL OF DEMAND FOR A POLL

The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the chairman of the meeting and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

82. METHOD OF TAKING A POLL

A poll shall be taken as the chairman of the meeting directs and he may appoint scrutineers (who need not be members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

83. WHEN POLL TO BE TAKEN

A poll demanded on the election of a chairman of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chairman directs not being more than 30 days after the poll is demanded. The demand for a poll (other than on the election of a chairman of the meeting or on a question of adjournment) shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded. If a poll is demanded before the declaration of the

result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

84. NOTICE OF A POLL

No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

VOTES OF MEMBERS

85. VOTES OF MEMBERS

85.1 Subject to any rights or restrictions attached to shares (including, for the avoidance of doubt, Article 16) and to Article 85.2, on a vote on a resolution on a show of hands at a meeting, every member who (being an individual) is present in person shall have one vote, and on a poll every member shall have one vote for every share of which he is the holder.

85.2 Subject to any rights or restrictions attached to shares (including, for the avoidance of doubt, Article 16), on a vote on a resolution on a show of hands at a meeting, every proxy present who has been duly appointed by one or more members entitled to vote on the resolution has one vote save that a proxy has one vote for and one vote against the resolution if:-

85.2.1 the proxy has been duly appointed by more than one member entitled to vote on the resolution; and

85.2.2 the proxy has been instructed by one or more of those members to vote for the resolution and by one or more other of those members to vote against it.

Subject to any terms as to voting upon which any shares may be issued or may for the time being be held (including, for the avoidance of doubt, Article 16) the total number of votes a member present in person or (being a corporation) who is present by a duly authorised representative or a proxy for a member has on a show of hands shall be determined in accordance with the Act. On a poll every member present in person or by proxy or by representative (in the case of a corporate member) shall have one vote for each share of which he is the holder, proxy or representative except for the holder of the B Share who shall, if he wishes to vote in favour of a resolution, have one vote and if he wishes to vote against a resolution, have such number of votes as is required to defeat the relevant resolution. If a member or his duly appointed representative or proxy present at a general meeting votes on a poll, he does not need to use all his votes or cast all the votes in the same way.

86. JOINT HOLDERS

In the case of joint holders the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and

for this purpose seniority shall be determined by the order in which the names of the holders stand in the Register in respect of the joint holding.

87. VOTES ON BEHALF OF INCAPABLE MEMBERS

A member in respect of whom an order has been made by any court having jurisdiction (whether in the United Kingdom or elsewhere) in matters concerning mental disorder (as defined in section 1 of the Mental Health Act 1983 or the Mental Health (Scotland) Act 1984 (as the case may be)) may vote, whether on a show of hands or on a poll, and otherwise exercise all his rights as a member by his receiver or other person authorised in that behalf appointed by that court, and any such receiver or other person may, on a poll, vote by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote or act shall be deposited at the Office, or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised, or, in the case of a poll, at least 48 hours before the time appointed for the taking of the poll and in default the right to vote shall not be exercisable.

88. NO RIGHT TO ATTEND OR VOTE WHERE SUMS OVERDUE

Unless the Board otherwise determines, no member shall attend or vote at any general meeting or at any separate meeting of the holders of any class of shares in the Company or upon a poll, either in person or by proxy, in respect of any share held by him or exercise any other right or privilege conferred by membership in relation to any such meeting or poll unless all moneys presently payable by him in respect of that share have been paid.

89. ERRORS IN COUNTING VOTES

If any votes are counted which ought not to have been counted, or might have been rejected, the error shall not vitiate the result of the voting unless it is pointed out at the same meeting, or at any adjournment of the meeting, and, in the opinion of the chairman, it is of sufficient magnitude to vitiate the result of the meeting.

90. OBJECTIONS TO VOTERS

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting or poll at which the vote objected to is tendered, and every vote not disallowed at the meeting or poll shall be valid. Any objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

91. NO OBLIGATION TO VERIFY PROXY OR CORPORATE REPRESENTATIVE VOTING IN ACCORDANCE WITH INSTRUCTIONS

The Company is not obliged to verify whether a proxy or corporate representative has voted in accordance with the instructions given by the member by whom the proxy or corporate representative is instructed. Any vote (whether given on a show of hands or on

a poll) is not invalidated if a proxy or corporate representative does not vote in accordance with their instructions.

PROXIES

92. APPOINTMENT OF PROXY

All votes may be taken either personally or by proxy. A member may appoint more than one proxy to attend on the same occasion provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member and a person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way. A person appointed to act as a proxy need not be a member of the Company.

93. FORM OF PROXY

93.1 The appointment of a proxy shall be in any common form or in any other form which the Board shall approve and may:

93.1.1 be in hard copy form executed by or on behalf of the appointor or, if the appointor is a corporation, under the hand of a duly authorised officer or attorney or under seal; or

93.1.2 be in electronic form (including, without limitation, by means of a website or Uncertificated Proxy Instruction), subject to such terms and conditions, including as to execution, as the Board may from time to time prescribe.

93.2 The appointment of a proxy shall be deemed (subject to any contrary intention contained in the appointment) to confer authority to demand or join in demanding a poll and to vote on any resolution or amendment of a resolution put to, or any other business which may properly come before, the meeting for which it is given as the proxy thinks fit. The appointment of a proxy shall, unless the contrary is stated therein, be valid as well for an adjournment of the meeting as for the meeting to which it relates.

93.3 If a member appoints more than one person to act as his proxy the appointment of each such proxy shall specify the shares held by the member in respect of which each such proxy is authorised to vote and no member may appoint more than one proxy (save in the alternative) to vote in respect of any one share held by that member.

94. DELIVERY OF PROXIES

The appointment of a proxy and (unless the Board otherwise decides) any authority under which it is executed or a copy of such authority certified notarially or in accordance with the Powers of Attorney Act 1971 or in some other way approved by the Board shall:

94.1 in the case of an instrument in hard copy form and any authority or copy thereof be deposited at the Office or at such other place in the United Kingdom as may be specified in or by way of note to the notice of meeting or any form of proxy or other document accompanying the same not less than 48 hours before the time appointed for holding the

meeting or adjourned meeting or the taking of the poll at which the person named in the appointment proposes to vote;

94.2 in the case of an appointment contained in electronic form be received at the address (if any) specified for the purpose of receiving such appointments in electronic form:

94.2.1 in or by way of note to the notice of meeting;

94.2.2 in any form of proxy sent by or on behalf of the Company in relation to the meeting;

94.2.3 in any invitation contained in electronic form to appoint a proxy issued by or on behalf of the Company in relation to the meeting; or

94.2.4 by means of a relevant system,

not less than 48 hours before the time appointed for holding the meeting or adjourned meeting or the taking of the poll at which the person named in the appointment proposes to vote;

94.3 in either case, where a poll is taken more than 48 hours after it is demanded, be deposited or received as aforesaid not less than 24 hours before the time appointed for the taking of the poll; or

94.4 in the case only of an instrument in hard copy form or any authority or copy thereof, where the poll is not taken forthwith but is taken not more than 48 hours after it was demanded, be delivered at the meeting at which the poll was demanded to the chairman of the meeting or to the Secretary or any Director,

and an appointment which is not, or in respect of which the authority or copy thereof is not, deposited, received or delivered in a manner so permitted shall be invalid. In calculating the periods referred to in this Article no account shall be taken of any part of a day that is not a Business Day.

95. MULTIPLE PROXIES

The deposit, delivery or receipt of an appointment of a proxy shall not preclude a member from attending and voting at the meeting or at any adjourned meeting. Where two or more valid but differing appointments of proxies are deposited or received in respect of the same share for use at the same meeting or poll, the one which is last deposited or received (regardless of its date or the date of its execution) shall be treated as replacing and revoking the other as regards that share. If the Company is unable to determine which was last deposited or received, none of them shall be treated as valid in respect of that share. No appointment of a proxy shall be valid after the expiration of twelve months from the date stated in it as the date of its execution.

96. DETERMINATION OF PROXY'S AUTHORITY

A vote given or poll demanded by a proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was deposited or received not less than two hours before the time for holding the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) the time appointed for taking the poll. Such notice of determination shall be by means of instrument deposited at the place, or contained in electronic form received at the address (if any), specified in accordance with these Articles for the deposit or receipt of appointments of a proxy at the meeting in question.

REPRESENTATIVES OF CORPORATIONS

97. REPRESENTATIVES OF CORPORATION

97.1 Subject to the provisions of the Act, any corporation (other than the Company itself) which is a member of the Company may, by resolution of its directors or other governing body, authorise any person or persons it thinks fit to act as its representative or representatives at any meeting of the Company or at any separate meeting of the holders of any class of shares. The person or persons so authorised shall be entitled to exercise the same powers on behalf of the corporation which he or they represent as that corporation could exercise if it were an individual member of the Company present in person and shall for the purposes of these Articles be regarded as a member present in person save that if the resolution specifies that the appointment applies in relation to some only and not all of the shares held by such corporation, on a poll such person shall only be entitled to vote such number of shares as is so specified. Such representative or representatives may be required to produce a copy of such resolution certified by a proper officer of such corporation, or other evidence of appointment, before being permitted to exercise his or their power.

97.2 Where copies of two or more valid but differing resolutions authorising any person or persons to act as the representative of any corporation are produced, the resolution, a copy of which is delivered to the Company last in time (regardless of the date upon which the resolution was passed), shall be treated as revoking and replacing all other such authorities as regards that share, but if the Company is unable to determine which of any such two or more valid but differing resolutions was so deposited last in time, none of them shall be treated as valid in respect of that share. The authority granted by any such resolution shall, unless the contrary is stated in the copy thereof delivered to the Company, be treated as valid for any adjournment of any meeting at which such authority may be used as well as at such meeting.

NUMBER OF DIRECTORS

98. NUMBER OF DIRECTORS

Unless otherwise determined by ordinary resolution of the Company, the number of Directors shall not be less than two.

B SHARE DIRECTOR

99. APPOINTMENT, MAINTENANCE IN OFFICE AND REMOVAL OF A DIRECTOR BY THE HOLDER OF THE B SHARE

APPOINTMENT AND RETIREMENT OF DIRECTORS

100. DIRECTORS TO RETIRE AT EACH ANNUAL GENERAL MEETING

Each Director, other than a Director appointed pursuant to Article 99, shall retire from office and shall be eligible for reappointment at each annual general meeting. If the Company does not fill the vacancy the retiring Director shall, if willing to act, be deemed to have been reappointed unless at the meeting it is resolved not to fill the vacancy or unless a resolution for the reappointment of the Director is put to the meeting and lost.

101. TIMING OF VACATION OF OFFICE

A Director retiring at a meeting who is not reappointed shall retain office until the meeting appoints someone in his place or, if it does not do so, until the end of the meeting or of any adjournment thereof.

102. AGE OF DIRECTORS

No Director shall vacate or be required to vacate his office as a Director on or by reason of his attaining or having attained the age of 70 or any other age, and any Director retiring or liable to retire under the provisions of these Articles and any person proposed to be appointed a Director shall be capable of being appointed or reappointed notwithstanding that he has attained the age of 70 or any other age and no special notice need be given of any resolution for the appointment or reappointment as a Director of a person who shall have attained the age of 70 or any other age.

103. PERSONS ELIGIBLE AS DIRECTORS

No person other than a Director retiring (or, if appointed by the Board, vacating office) at the meeting shall be appointed or reappointed a Director at any general meeting unless:

103.1 he is recommended by the Board and the holder of the B Share has given his consent in writing; or

103.2 not less than seven nor more than 42 days before the date appointed for the meeting, notice executed by a member entitled to vote at the meeting has been given to the Company of his intention to propose that person for appointment or reappointment stating the particulars which would, if he were so appointed or reappointed, be required to be included in the Company's register of directors together with notice executed by that person confirming his willingness to be appointed or reappointed.

104. POWER OF COMPANY TO APPOINT DIRECTORS

104.1 Subject to the provisions of these Articles, the Company may by ordinary resolution appoint a person who is willing to act to be a Director either to fill a vacancy or as an additional Director.

104.2 A resolution for the election of two or more persons as Directors by a single resolution shall not be moved at any general meeting unless a resolution that it shall be so moved has first been agreed to by the meeting without any vote being given against it; and any resolution moved in contravention of this provision shall be void. For the purposes of this Article, a motion for approving a person's appointment or for nominating him for appointment shall be treated as a motion for his appointment.

105. POWER OF BOARD TO APPOINT DIRECTORS

Subject to receiving the consent in writing of the holder of the B Share, in the case of any executive Director, the Board may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director. A Director so appointed shall hold office only until the next following annual general meeting when he shall retire from office and be eligible for reappointment. If not reappointed at such annual general meeting, he shall vacate office at its conclusion.

DISQUALIFICATION AND REMOVAL OF DIRECTORS

106. POWER OF REMOVAL BY ORDINARY RESOLUTION

In addition to any power of removal conferred by the law, the Company may by ordinary resolution at a meeting of which special notice has been given in accordance with section 312 of the Act, remove any Director other than the Director appointed pursuant to Article 99 before the expiration of his period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director. Such removal shall be without prejudice to any claim such Director may have for damages for breach of any contract of service between him and the Company. No Director proposed to be removed in accordance with this Article has any special right to protect against his removal.

107. VACATION OF OFFICE

The office of a Director shall be vacated if:

- 107.1** that person ceases to be a director by virtue of any provision of the Act or these Articles or is prohibited from being a director by law;
- 107.2** a bankruptcy order is made against that person or that person is the subject of an interim receiving order or an arrangement or composition is made with that person's creditors generally in satisfaction of that person's debts or that person applies to the court for an interim order under section 253 of the Insolvency Act 1986 (as amended) in connection with a voluntary arrangement under that Act or any analogous event occurs in relation to him in another jurisdiction;
- 107.3** a registered medical practitioner who is treating that person gives a written opinion to the Company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
- 107.4** notification is received by the Company from the Director that the Director is resigning from office, and such resignation has taken effect in accordance with its terms;
- 107.5** that person is convicted of a criminal offence (other than a motoring offence or series of offences not resulting in disqualification) and the Directors and the holder of the B Share resolve that his office be vacated but without prejudice to Article 107.1;
- 107.6** in the case of a person who is also an employee of the Company other than the Director appointed pursuant to Article 99 he ceases to be such an employee (whether because his appointment is terminated or expires) and the majority of other Directors resolve that his office shall be vacated;
- 107.7** that person shall for more than six consecutive months have been absent without permission of the Directors from meetings of Directors held during that period and the Directors resolve that his office be vacated; or
- 107.8** other than the Director appointed pursuant to Article 99, all the other Directors unanimously resolve that his office be vacated and that person receives written notice signed by or on behalf of all the other Directors removing him from office without prejudice to any claim which such Director may have for damages for breach of any contract of service or letter of appointment between him and the Company.

A resolution of the Board declaring a Director to have vacated or have been removed from office under the terms of this Article shall be conclusive as to the fact and grounds of vacation or removal stated in the resolution.

108. COMMITTEE MEMBERSHIP

Upon termination of a Director's appointment for any reason, he shall cease to be a member of any committee.

ALTERNATE DIRECTORS

109. APPOINTMENT OF ALTERNATE DIRECTORS

110. TERMINATION OF APPOINTMENT

The appointment of an Alternate Director shall automatically determine in any of the following events:

- 110.1** if his appointor terminates the appointment;
- 110.2** on the happening of any event which, if he were a Director, would cause him to vacate the office of Director;
- 110.3** if he resigns his appointment by notice to the Company;
- 110.4** if his appointor ceases for any reason to be a Director otherwise than by retiring and being reappointed or deemed to be reappointed at the meeting at which he retires; or
- 110.5** if he is not a Director and the Board or the holder of the B Share revokes its approval of him by resolution.

111. EFFECT OF APPOINTMENT

An Alternate Director shall (subject to his giving to the Company an address within the United Kingdom at which notices may be served upon him and , if applicable an address in relation to which electronic communications may be received by him) be entitled at his appointer's request to receive notice of all meetings of the Board and of all meetings of committees of the Board of which his appointor is a member, to attend and vote and (save as provided in these Articles) be counted in the quorum at any such meeting at which the Director appointing him is not personally present, and generally to perform all the functions of his appointor as a Director in his absence.

112. EXPENSES AND REMUNERATION

An Alternate Director may be repaid by the Company such expenses as might properly have been repaid to him if he had been a Director and in respect of his office of Alternate Director may receive such remuneration from the Company as the Board may determine. An Alternate Director shall be entitled to be indemnified by the Company to the same extent as if he were a Director.

113. ALTERNATE DIRECTOR TO BE OFFICER

An Alternate Director shall, during his appointment, be deemed to be an officer of the Company and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him.

114. METHOD OF APPOINTMENT AND REMOVAL

Any appointment or removal of an Alternate Director shall be in writing signed by the Director making or revoking the appointment or in any other manner approved by the Board and shall take effect (subject to any approval required by these Articles) upon receipt of such written appointment or removal at the Office or by the Secretary or at an address specified by the Company for the purpose of communication by electronic means. 115. APPOINTEE ACTING IN MORE THAN ONE CAPACITY

A Director or any other person may act as Alternate Director to represent more than one Director and an Alternate Director shall be entitled at meetings of the Board or any committee of the Board to one vote for every Director whom he represents and who is not present, in addition to his own vote (if any) as a Director.

POWERS OF DIRECTORS

116. GENERAL POWERS OF COMPANY VESTED IN BOARD

Subject to the provisions of the Acts and these Articles and to any directions given by special resolution, the business of the Company shall be managed by the Board which may exercise all the powers of the Company save for those matters which are a B Share Reserved Matter, which no Director nor the Board shall have any power to do without the prior written consent of the holder of the B Share. No alteration of these Articles and no such direction shall invalidate any prior act of the Board which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this Article shall not be limited by any special power given to the Board by these Articles and a duly convened meeting of the Board at which a quorum is present may exercise all powers exercisable by the Board.

117. LOCAL BOARD

The Board may make such arrangements as the Board thinks fit for the management and transaction of the Company's affairs and may for that purpose appoint local boards, managers and agents and delegate to them any of the powers of the Board with power to sub-delegate and may authorise the members of any local board or any of them to fill any vacancies therein and to act notwithstanding such vacancies. Any such appointment or delegation may be made upon such terms and subject to such conditions as the Board thinks fit. The Board may at any time remove any person so appointed and may vary or annul such delegation, but no person dealing in good faith and without notice of such removal, variation or annulment shall be affected by it.

118. APPOINTMENT OF ATTORNEYS AND AGENTS

The Board may from time to time, by power of attorney executed by the Company or otherwise, appoint any company, firm or person, or any fluctuating body of persons, whether nominated directly or indirectly by the Board, to be the attorney or agent of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as it may think fit. Any such power of attorney or other authority may contain such provisions for the protection and convenience of persons dealing with any such attorney or agent as the Board may think fit and may also authorise any such attorney or agent to sub-delegate all or any of the powers, authorities and discretions vested in him. The Board may revoke or vary any such appointment, but no person dealing in good faith and without notice of such revocation or variation shall be affected by it.

DELEGATION OF DIRECTORS' POWERS

119. DELEGATION OF DIRECTORS' POWERS

The Board may delegate any of its powers, authorities and discretions (including, without prejudice to the generality of the foregoing, all powers, authorities and discretions whose exercise involves or may involve agreement of the terms of service or termination of employment or appointment of or the payment of remuneration to or the conferring of any other benefit on all or any of the Directors) save for those matters which are a B Share Reserved Matter, which no Director nor the Board shall have any power to do without the prior written consent of the holder of the B Share, to any committee consisting of one or more Directors together with any other person or persons approved by the Board, with power (save for those matters which are a B Share Reserved Matter, which no Director nor the Board shall have any power to do without the prior written consent of the holder of the B Share) to sub-delegate. Any such delegation may be made subject to any conditions the Board may impose, and either collaterally with or to the exclusion of its own powers and may be revoked or altered, but no person dealing in good faith and without notice of such revocation or variation shall be affected by it. Subject to any such conditions, the proceedings of a committee with two or more members shall be governed by the provisions of these Articles regulating the proceedings of the Board so far as they are

capable of applying. Insofar as any power, authority or discretion is delegated to a committee, any reference in these Articles to the exercise by the Board of such power, authority or discretion shall be read and construed as if it were a reference to the exercise of such power, authority or discretion by such committee. Every such committee shall have as a majority of its membership persons who are Directors and no resolution of any such committee shall be effective unless the majority of the persons present (in person or by their Alternate Directors) at the meeting at which it is passed are Directors.

136. CHAIRMAN TO DECIDE WHETHER A DIRECTOR MAY VOTE

If a question arises at a meeting of the Board or of a committee of the Board as to the right of a Director to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, the question may, before the conclusion of the meeting, be referred to the chairman of the meeting (unless the Director concerned is the chairman of the meeting in which case he shall withdraw from the meeting and the Board shall elect a vice chairman to consider the question in place of the chairman) and his ruling in relation to any Director shall be final and conclusive.

DIRECTORS' POWERS TO AUTHORISE CONFLICTS OF INTEREST

137. AUTHORISATION OF INTERESTS

137.1 The Directors may authorise, to the fullest extent permitted by law, any matter proposed to them which would or might otherwise result in or give rise to a Director infringing his duty under section 175 of the Act to avoid a situation in which he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Company (a "Conflict"). This Article does not apply to conflicts arising in relation to transactions or arrangements with the Company which are governed by Articles 130, 131 and 132.

137.2 A Director seeking authorisation of a Conflict shall declare to the Board the nature and extent of his interest, and shall provide the Board with such details of the Conflict as are necessary for the Board to decide how to address the Conflict, together with such additional information as the Board may request. The relevant Director and any other Director with a similar interest may, if the other Directors so decide, be excluded from the Board meeting while the Conflict is under consideration.

138. REQUIREMENT FOR AUTHORISATION TO BE EFFECTIVE

138.2 the matter has been agreed to without the Director in question and any other interested Director voting or would have been agreed to if their votes had not been counted.

139. CONFLICTS ARISING OUT OF AUTHORISED MATTER

Any authorisation of a matter under Article 137 shall extend to any actual or potential conflict of interest which may reasonably be expected to arise out of the matter so authorised.

140. DIRECTORS MAY IMPOSE TERMS ON AUTHORISATION

142. CONFIDENTIAL INFORMATION

The Director shall not be required to disclose any confidential information obtained in relation to the relevant matter (other than through his position as a Director of the Company) to the Company or to use or apply it in performing his duties as a Director if to do so would result in a breach of a duty or obligation of confidence owed by him in relation to or in connection with that matter.

143. ACCOUNTABILITY FOR BENEFITS

A Director shall not, save as otherwise agreed by him, be accountable to the Company for any benefit which he (or a person connected with him) derives from any matter permitted under Articles 130 and 131 or authorised by the Directors under Article 137 and no contract, transaction or arrangement relating thereto shall be liable to be avoided on the grounds of any such benefit.

145.2 section 252 of the Act shall determine whether a person is connected with a Director; and

Subject to the provisions of these Articles, the Board may regulate its proceedings as it thinks fit. A Director may, and the Secretary at the request of a Director shall, call a meeting of the Board. Notice of a board meeting may be given to a Director by hand or by word of mouth or sent by instrument to him at such address as he may from time to time specify for this purpose (or if he does not specify an address, at his last known address) or sent in electronic form to such address (if any) as may for the time being be notified by him or on his behalf to the Company for that purpose. A Director absent or intending to

be absent from the United Kingdom may request the Board that notices of board meetings shall during his absence be given by instrument or in electronic form to him (or to his alternate) at an address given by him to the Company for this purpose, but if no such request is made it shall not be necessary to give notice of a board meeting to any Director who is for the time being absent from the United Kingdom. A Director may waive notice of any meeting either prospectively or retrospectively and any retrospective waiver shall not affect the validity of the meeting or any business conducted at it.

149. VOTING AT BOARD MEETINGS

Questions arising at a meeting shall be decided by a majority of votes. In the case of an equality of votes, the chairman of the meeting shall have a second or casting vote.

150. QUORUM AT BOARD MEETINGS

The quorum for the transaction of the business of the Board may be fixed by the Board and unless so fixed at any other number shall be two. A person who holds office as an Alternate Director shall, if his appointor is not present, be counted in the quorum provided that a Director or Alternate Director who attends a meeting of the Board shall for the purposes of a quorum be counted as one person notwithstanding that he also attends such meeting as an Alternate Director or that he attends as an Alternate Director appointed by more than one Director.

151. PARTICIPATION IN MEETINGS BY TELEPHONE

Any Director or other person may participate in a meeting of the Board or a committee of the Board by means of conference telephone or similar communications equipment whereby all persons participating in the meeting can hear each other and any person participating in the meeting in this manner shall be deemed to be present in person at that meeting. Such a meeting shall be deemed to take place where the largest group of those participating is assembled, or, if there is no such group, at the place where the chairman of the meeting is at the time the meeting is held.

152. NUMBER OF DIRECTORS BELOW QUORUM

The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in the Board but, if the number of Directors is less than the number fixed as the quorum, the continuing Directors or Director may act only for the purpose of filling vacancies in the Board or of calling a general meeting.

153. CHAIRMAN

The Board may appoint one of its number to be the chairman of the Board and one or more deputy chairmen and may at any time remove them from office. Unless he is unwilling to do so, the chairman of the Board shall preside at every meeting of the Board at which he is present. But if there is no chairman of the Board or deputy chairman holding office, or if at any meeting neither the chairman of the Board nor a deputy chairman is present and willing to preside within five minutes after the time appointed for the

meeting, the Directors present may appoint one of their number to be chairman of the meeting.

154. RESOLUTION IN WRITING

A resolution in writing signed by all the Directors entitled to vote on the resolution at a meeting of the Board (not being less than the number required to form a quorum of the Board) or all members of a committee of the Board shall be as valid and effectual as if it had been passed at a meeting of the Board or (as the case may be) a committee of the Board duly convened and held and may consist of several documents in hard copy form and/or sent by electronic means in the like form each signed by one or more Directors or Alternate Directors. A resolution signed by an Alternate Director need not also be signed by his appointor and, if it is signed by a Director who has appointed an Alternate Director, it need not be signed by the Alternate Director in that capacity.

155. VALIDITY OF ACTS

All acts done by a meeting of the Board, or of a committee of the Board, or by a person acting as a Director, Alternate Director or member of a committee other than acts done without the consent of the holder of the B Share which required his consent shall, notwithstanding that it be afterwards discovered that there was a defect in the appointment or continuance in office of any Director, Alternate Director or person acting as aforesaid, or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director, Alternate Director or member of a committee and had been entitled to vote.

156. ACTS DONE WITHOUT THE CONSENT OF THE HOLDER OF THE B SHARE

Any acts done by a meeting of the Board, or of a committee of the Board, or by a person acting as a Director, Alternate Director or member of a committee which required the consent of the holder of the B Share but without his consent shall be void ab initio and ultra vires.

SECRETARY

157. SECRETARY

Subject to the provisions of the Acts, the Secretary shall be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit and any Secretary so appointed may be removed by the Board, but without prejudice to any claim for damages for breach of any contract of service between him and the Company. Two or more persons may be appointed as joint secretaries and the Board may also appoint from time to time on such terms as it may think fit one or more temporary or assistant or deputy secretaries.

MINUTES

158. MINUTES

The Board shall cause minutes to be kept:

158.1 of all appointments of officers made by the Board; and

158.2 of all proceedings at meetings of the Company, of the holders of any class of shares in the Company, and of the Board, and of committees of the Board, including the names of the Directors present at each such meeting.

Any such minutes, if purporting to be signed by the chairman of the meeting to which they relate or of the meeting at which they are approved, shall be sufficient evidence without any further proof of the facts stated in them.

THE SEAL

159. USE OF SEAL

If the Company has a Seal it shall only be used by the authority of the Board or of a committee of the Board authorised by the Board in that behalf. The Board may determine who shall sign any instrument to which the Seal is affixed and unless otherwise so determined it shall be signed by a Director and by the Secretary or by a second Director or by such other persons as the Board may approve.

160. OFFICIAL SEAL

If the Company has an official seal for use abroad, it may only be affixed to a document if its use on that document, or documents of a class to which it belongs, has been authorised by a decision of the Board, or of a committee of the Board authorised by the Board in that behalf.

161. SECURITIES SEAL

If the Company has a securities seal, it may only be affixed to securities by the Secretary or a person authorised to apply it to securities by the Secretary.

162. AFFIXING OF SECURITIES SEAL

For the purposes of the Articles, references to the securities seal being affixed to any document include the reproduction of the image of that seal on or in a document by any mechanical or electronic means which has been approved by the Directors in relation to that document or documents of a class to which it belongs.

RESERVE

163. ESTABLISHMENT OF RESERVE

The Directors may from time to time set aside out of the profits of the Company such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for any purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments as the Directors think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company, however the Directors may divide the reserve into such special funds as they think fit, and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they think fit. The Directors may also without placing the same to reserve carry forward any profits which they may think prudent not to divide.

DIVIDENDS

164. DECLARATION OF DIVIDENDS BY THE COMPANY

Subject to the provisions of the Acts and the common law and these Articles, the Company may by ordinary resolution declare dividends in accordance with the respective rights of the members, but no dividend shall exceed the amount recommended by the Board.

165. CALCULATION OF DIVIDENDS

Except as otherwise provided by the rights attached to the shares, all dividends shall be declared and paid according to the amounts paid up on the shares on which the dividend is paid but (for the purposes of this Article only) no amount paid on a share in advance of calls shall be treated as paid on the share. All dividends shall be apportioned and paid proportionately to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid, but, if any share is issued on terms providing that it shall rank for dividend as from a particular date or be entitled to dividends declared after a particular date, that share shall rank for dividend accordingly.

166. RESTRICTIONS ON DIVIDENDS

No dividend or interim dividend shall be paid otherwise than in accordance with the provisions of the law.

167. BOARD MAY PAY INTERIM AND FIXED DIVIDENDS

Subject to the provisions of the law, the Board may pay interim dividends if it appears to the Board that they are justified by the profits of the Company available for distribution. If the share capital is divided into different classes of shares, the Board may pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but no interim dividend shall be paid on shares carrying deferred or non-preferred rights if, at the time of

payment, any preferential dividend is in arrears. The Board may also pay at intervals settled by it any dividend payable at a fixed rate if it appears to it that the profits available for distribution justify the payment. Provided the Board acts in good faith the Directors shall not incur any liability to the holders of shares conferring preferred rights for any loss that they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

168. CURRENCY OF DIVIDENDS

Dividends may be declared or paid in any currency that the Board may determine. The Board may also determine the exchange rate and the relevant date for determining the value of the dividend in any currency.

169. AMOUNTS DUE ON SHARES MAY BE DEDUCTED

The Board may deduct from any dividend or other moneys payable on or in respect of a share to any member all sums of money (if any) presently payable by him to the Company on account of calls or otherwise in relation to shares of the Company. Such sums may be applied by the Company in paying the amounts owing in respect of the relevant shares.

170. NO INTEREST ON DIVIDENDS

No dividend or other moneys payable in respect of a share shall bear interest as against the Company unless otherwise provided by the rights attached to the share. All unclaimed dividends may be retained by the Company or invested or made use of by the Company as the Board may think fit until they are claimed and so that the Company shall not be obliged to account for any interest or other income derived from them nor shall it be constituted a trustee in respect of them or be responsible for any loss thereby arising. Any interest or profits earned on unclaimed dividends invested or otherwise made use of shall belong to the Company. Any dividend which has remained unclaimed for twelve years from the date when it became due for payment shall be forfeited and cease to remain owing by the Company.

171. WAIVER OF DIVIDENDS

A member may waive its right to a dividend or other distribution payable in respect of a share by giving the Company notice in writing to that effect, but if:

171.1 the share has more than one holder; or

171.2 more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise,

then the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

172. RECORD DATES

Without prejudice to any rights attached to any shares, the Company or the Board may fix a date, or a particular time on a date, as the record date by reference to which a dividend will be declared or paid or a distribution, allotment or issue made, and that date may be before, on or after the date on which the dividend, distribution, allotment or issue is declared, paid or made. In the absence of a record date being fixed, entitlement to any dividend, distribution, allotment or issue shall be determined by reference to the date on which the dividend is declared or the distribution, allotment or issue is made.

173. PAYMENT TO PERSONS ENTITLED BY TRANSMISSION

The Board may pay the dividends or other moneys payable on shares in respect of which any person is entitled to be registered as holder by transmission to such person upon production of such evidence as would be required if such person desired to be registered as a member in respect of such shares.

174. PAYMENT PROCEDURE

174.1 Any dividend or other moneys payable in respect of a share may be paid:

174.1.1 in cash;

174.1.2 by cheque or warrant sent by post to the address in the Register of the person entitled to the moneys or, if two or more persons are the holders of the share or are jointly entitled to it by reason of the death or bankruptcy of the holder or otherwise by operation of law, to the address in the Register of the person who is first named in the Register in respect of the joint holding or to such person and to such address as the person or persons entitled to the moneys may in writing direct. Every such cheque or warrant shall be made payable to the person or persons entitled to the moneys or to such other person as the person or persons so entitled may in writing direct (or as the Board may otherwise decide). Any such cheque or warrant may be crossed "account payee" although the Company shall not be obliged to do so;

174.1.3 by bank transfer to such account (of a type approved by the Board) of the person entitled to the moneys or, if two or more persons are holders of the share or are jointly entitled to it, of the person who is first named in the Register in respect of the joint holding or of such person as the person or persons entitled to the moneys may in writing direct (or as the Board may otherwise decide); or

174.1.4 by electronic or such other method of payment approved by the Board to such account (of a type approved by the Board) in accordance with the details, as the person or persons entitled to the moneys may in writing direct (or as the Board may otherwise decide).

174.2 In respect of shares in uncertificated form, where the Company is authorised to do so by or on behalf of the holder or joint holders in such manner as the Company shall from time to time consider sufficient, the Company may also pay any such dividend, interest or other monies by means of the relevant system concerned (subject always to the facilities and requirements of that relevant system). Without prejudice to the generality of the foregoing, in respect of shares in uncertificated form, such payment may include the sending by the Company or by any person on its behalf of an instruction to the Operator of the relevant system to credit the cash memorandum account of the holder or joint holders or, if permitted by the Company, of such person as the holder or joint holders may in writing direct.

174.3 The Company shall not be responsible for any loss of any such cheque or warrant and any payment made by bank transfer, by means of a relevant system or such other method shall be at the sole risk of the holder or joint holders. Without prejudice to the generality of the foregoing, if any such cheque or warrant has or shall be alleged to have been lost, stolen or destroyed, the Board may, on request of the person entitled thereto, issue a replacement cheque or warrant subject to compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Board may think fit.

174.4 Payment of a cheque or warrant by the bank on which it was drawn, the transfer of funds by the bank instructed to make the transfer or, in respect of shares in uncertificated form, the making of payment in accordance with such direct debit or bank transfer or, in respect of shares in uncertificated form, the making of payment in accordance with the facilities and requirements of the relevant system concerned shall in each case be a good discharge to the Company.

175. UNCASHED DIVIDENDS

If in respect of dividends or other moneys payable in respect of any shares, cheques or warrants have been sent through the post in accordance with the provisions of the preceding article but have been returned undelivered or left uncashed during the periods for which they are valid or bank transfers or other methods of payment have failed either:

175.1 on two consecutive occasions; or

175.2 on any one occasion and reasonable enquiries have failed to establish another address or account of the person entitled to the moneys,

the Company need not thereafter despatch further cheques or warrants or give instructions for bank transfers or other methods of payment in payment of dividends or other moneys payable on or in respect of the shares in question until the member or other person entitled thereto shall have communicated with the Company and supplied in writing to the Office a new address or account to be used for the purpose.

176. DIVIDENDS OTHER THAN IN CASH

Any general meeting declaring a dividend may, upon the recommendation of the Board, by ordinary resolution, or the Board declaring an interim dividend without the authority of an ordinary resolution may, direct payment or satisfaction of such dividend wholly or in part by the distribution of specific assets and in particular of fully paid shares or debentures of any other company, and the Board shall give effect to such directions. If the shares in respect of which such a non-cash distribution is paid are uncertificated, any shares in the Company which are issued as a non-cash distribution in respect of them must be uncertificated. Where any difficulty arises in regard to the distribution, the Board may settle the same as it thinks expedient, and in particular may fix the value for distribution of such specific assets or any part thereof and may determine that cash payment shall be made to any members upon the footing of the value so fixed in order to adjust the rights of those entitled to participate in the dividend, and may vest any such specific assets in trustees, upon trust for the members entitled to the dividend, as may seem expedient to the Board.

177. SCRIP DIVIDENDS

The Board may, with the sanction of an ordinary resolution of the Company, offer the holders of shares the right to elect to receive shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Board) of such dividend or dividends as are specified by such resolution. The following provisions shall apply:

177.1 the resolution may specify a particular dividend, or may specify all or any dividends declared or paid within a specified period, but such period shall end not later than the beginning of the annual general meeting in the fifth year following that in which such resolution is passed;

177.2 the entitlement of each holder of shares to new shares shall be such that the value of such new shares shall be as nearly as possible equal to (but not in excess of) the cash amount (disregarding any tax credit) that such holder would otherwise have received by way of dividend. For this purpose the value of a share shall be the average of the middle market quotations for such a share as derived from the London Stock Exchange Daily Official List on such five consecutive dealing days as the Directors shall determine provided that the first of such dealing days shall be on or after the day when the shares are first quoted "ex" the relevant dividend, or in such other manner as may be determined by or in accordance with the ordinary resolution, but shall never be less than the par value of the new shares. A certificate or report by the auditors as to the amount of the relevant value in respect of any dividend shall be conclusive evidence of that amount;

177.3 no fraction of a share may be allotted and the Board may make such provision as it thinks fit for any fractional entitlements including provision:

177.3.1 for the whole or part of the benefit of fractional entitlements to be disregarded or to accrue to the Company; or

- 177.3.2** for the value of fractional entitlements to be accumulated on behalf of a member (without entitlement to interest) and applied in paying up new shares in connection with a subsequent offer by the Company of the right to receive shares instead of cash in respect of a future dividend;
- 177.4** the Board, after determining the basis of allotment, shall notify the holders of shares in writing of the right of election offered to them and (except in the case of any holder from whom the Company has received written notice in such form as the Board may require which is effective for the purposes of the relevant dividend that such holder wishes to receive shares instead of cash in respect of all future dividends in respect of which the Board offers the holders of shares the right to elect to receive shares as aforesaid) shall send with, or following, such notification, forms of election and specify the procedure to be followed and the place or address at which, and the latest date and time by which, duly completed forms of election must be received in order to be effective;
- 177.5** the dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on shares in respect of which such election has been duly made (the "elected shares") and instead additional shares shall be allotted to the holders of the elected shares on the basis of allotment determined as provided above. For such purpose the Board shall capitalise out of such of the sums standing to the credit of reserves (including any share premium account, capital redemption reserve or the profit and loss account) or any of the profits which could otherwise have been applied in paying dividends in cash as the Board may determine a sum equal to the aggregate nominal amount of the additional shares to be allotted on such basis and shall apply the same in paying up in full the appropriate number of unissued shares for allotment and distribution to and amongst the holders of the elected shares on such basis;
- 177.6** the additional shares so allotted shall rank *pari passu* in all respects with the fully-paid shares of that class then in issue save only as regards participation in the relevant dividend (including the share election in lieu of such dividend);
- 177.7** the Board may do such acts and things which it considers necessary or expedient to give effect to any such capitalisation and may authorise any person to enter on behalf of all the members interested into an agreement with the Company providing for such capitalisation, and any incidental matters and any agreement so made shall be binding on all concerned;
- 177.8** the Board may, at any time before shares are allotted instead of cash in respect of all or part of any dividend, determine that shares will not be allotted. Such determination may be made before or after any election has been made by any holders in respect of the relevant dividend; and
- 177.9** the Board may on any occasion determine that rights of election shall only be made available subject to such exclusions, restrictions or other arrangements as it may in its absolute discretion deem necessary or desirable in order to comply with legal or practical problems under the laws of, or the requirements of any recognised regulatory body or any stock exchange in, any territory.

178. JOINT HOLDERS

If several persons are entered in the Register as joint holders of any share or are jointly entitled to a share, any one of them may give receipts for any dividend or other moneys payable in respect of the share and the Board may deduct from the dividends or other moneys payable in respect of any share held jointly by several persons all sums of money (if any) presently payable to the Company from any one or more of the registered holders on account of calls or otherwise in relation to shares in the Company held in the joint names of all (but not some only) of such registered holders.

ACCOUNTS

179. MEMBERS HAVE NO RIGHTS TO INSPECT RECORDS

No member shall (in his capacity as such) have any right of inspecting any accounting records or other book or document of the Company except as conferred by the Acts or authorised by the Board or by ordinary resolution of the Company.

180. DELIVERY OF ACCOUNTS

180.1 Save as provided in this Article, a copy of the annual accounts of the Company together with a copy of the strategic report, the Directors' remuneration report, the Auditors' report and the Directors' report and any other documents required to accompany or to be annexed to them shall, not less than 21 days before the date of the general meeting at which copies of those documents are to be laid, be sent to every member and to every debenture holder of the Company and to every other person who is entitled to receive notices from the Company of general meetings.

180.2 Copies of the documents referred to in Article 180.1 need not be sent:

180.2.1 to a person of whose address the Company is unaware; or

180.2.2 to more than one of the joint holders of shares or debentures in respect of those shares or debentures,

provided that any member or debenture holder to whom a copy of such documents has not been sent shall be entitled to receive a copy free of charge on application at the Office.

180.3 The Company may, in accordance with sections 426 and 426A of the Act and any regulations made under it, send a strategic report with supplementary information to any of the persons otherwise entitled to be sent copies of the documents referred to in Article 180.1 instead of those documents and, where it does so, the statement shall be delivered or sent to such person not less than 21 days before the general meeting at which copies of those documents are to be laid.

CAPITALISATION OF PROFITS

181. PROCEDURE

Subject to Article 19, the Board may with the authority of an ordinary resolution of the Company:

181.1 subject as subsequently provided in these Articles, resolve to capitalise all or any part of the profits of the Company to which this Article applies;

181.2 appropriate the sum resolved to be capitalised to the members as at the date specified in the relevant resolution, or determined as therein provided, who would have been entitled to it if it were distributed by way of dividend and in the same proportions and apply such sum on their behalf either:

181.2.1 in or towards paying up the amounts, if any, for the time being unpaid on any shares held by them respectively; or

181.2.2 in paying up in full unissued shares or debentures of the Company of a nominal amount equal to that sum, and allot the shares or debentures credited as fully paid to those members, or as they may direct, in those proportions;

or partly in one way and partly in the other;

181.3 where the amount to be capitalised is applied in paying up in full unissued shares, in respect of any shares held as treasury shares, include, to the extent permitted by the Act, the Company among the members entitled to the sum resolved to be capitalised notwithstanding that it is not entitled to any dividend in respect of such shares;

181.4 make such provision by the issue of fractional securities or by payment in cash or otherwise as it determines in the case of shares or debentures otherwise becoming distributable under this Article in fractions; and

181.5 authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for the allotment to them respectively, credited as fully paid, of any shares or debentures to which they are entitled upon such capitalisation, any agreement made under such authority being binding on all such members.

The Company in general meeting may resolve that any shares allotted pursuant to this Article to holders of any partly paid shares shall, so long as such shares remain partly paid, rank for dividends only to the extent that such partly paid shares rank for dividends.

182. PROFITS WHICH MAY BE CAPITALISED

The profits of the Company to which the preceding Article applies shall be any undivided profits of the Company not required for paying fixed dividends on any preference shares or other shares issued on special conditions and shall be deemed to include:

- 182.1** any reserves arising from appreciation in capital assets or ascertained by valuation; and
- 182.2** any other amounts for the time being standing to any reserve or reserves including capital redemption reserve and share premium account,

provided that to the extent required by the Acts the Company shall not apply an unrealised profit in paying up debentures or any amounts unpaid on any of its issued shares and the only purpose to which sums standing to share premium account or capital redemption reserve shall be applied pursuant to the preceding Article shall be the payment up in full of unissued shares to be allotted and distributed as aforesaid.

AUDIT

183. APPOINTMENT OF AUDITORS

The auditors shall be appointed, and their duties regulated in accordance with the provisions of the Acts.

NOTICES

184. FORM OF NOTICE

Any notice or other document to be sent or given pursuant to these Articles shall be in writing (other than a notice calling a meeting of the Board or of a committee of the Board).

185. METHOD OF SERVICE

The Company may give any notice in writing or other Shareholder Information to any person:

- 185.1** by hand;
- 185.2** by sending it by post in a prepaid envelope addressed to the member at his address in the Register;
- 185.3** subject to the provisions of the law, by sending it in electronic form:
- 185.3.1** using electronic means to such address (if any) as may for the time being be notified to the Company by or on behalf of the member (generally or specifically) for that purpose or, if the intended recipient is a company, to such address as may be deemed by law to have been so specified; or
 - 185.3.2** by hand, handed to the recipient or sent or supplied to an address to which it could be validly sent if it were in hard copy form;

provided in each case that such person has agreed (generally or specifically) (or, if the member is a company and it is deemed by law to have agreed) that the communication may be sent or supplied in that form and that person has not revoked their agreement; or

185.4 by making it available by means of a website communication and notifying the member of its availability in accordance with the Act, provided that:

185.4.1 such person has agreed or is deemed by law to have agreed (generally or specifically) that the Company may send or supply a document or information by means of a website communication and that person has not revoked their agreement;

185.4.2 such person is notified in the manner for the time being agreed for the purpose between that person and the Company of (a) the publication of the notice or other Shareholder Information on that website; (b) the address of that website; and (c) the place on that website where the notice or other Shareholder Information may be accessed and how it may be accessed;

185.4.3 the notice or other Shareholder Information continues to be published on the website throughout the period specified in the Act; and

185.4.4 the notice or other Shareholder Information is published on the website throughout the period referred to in Article 185.4.3 provided that if the notice or other Shareholder Information is published on that website for a part but not all of such period, the notice or other Shareholder Information will be treated as published throughout that period if the failure to publish the notice or other Shareholder Information throughout that period is wholly attributable to circumstances which it would not be reasonable to have expected the Company to prevent or avoid.

In the case of joint holders of a share, all notices and other Shareholder Information shall be given to the joint holder whose name stands first in the Register in respect of the joint holding and notice so given shall be sufficient notice to all the joint holders. Anything to be agreed or specified in relation to a notice or other Shareholder Information may be agreed or specified by the joint holder who is named first in the Register.

186. RECORD DATE FOR SERVICE

Any notice to be given to a person may be given by reference to the Register as it stands at any time within the period of 15 days before the notice is given and no change in the Register after that time shall invalidate the giving of the notice.

187. MEMBERS WITH OVERSEAS ADDRESSES

Any member or person nominated to receive Shareholder Information whose postal address in the Register is not within the United Kingdom or an EU Member State and who gives to the Company a postal address within the United Kingdom or an EU Member State at which notices may be given to him shall be entitled to have notices given to him at that postal address, but otherwise no such member shall be entitled to receive any notice from the Company through the postal system. Any member or person nominated by a member to receive Shareholder Information whose address in the Register is not within the United Kingdom or an EU Member State and who gives to the Company an address for the

purposes of receipt of communications in electronic form may, at the absolute discretion of the Board, have notices served upon him at such address.

188. MEMBER PRESENT DEEMED TO HAVE NOTICE

A member present, either in person or by proxy or (in the case of a corporate member) by representative, at any meeting of the Company or of the holders of any class of shares in the Company (and, where such person is one of the joint holders of a share, all the joint holders) shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

189. SERVICE OF NOTICE ON PERSON ENTITLED BY TRANSMISSION

A notice or other Shareholder Information to which a member would have been entitled may (subject to these Articles and on supply to the Company of such evidence as the Board may reasonably require to show title to the share) be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of such member or otherwise by operation of law by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a member, addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt or by any like description at the address, if any, within the United Kingdom and, if he wishes, an address for the service and delivery of electronic communications each supplied for that purpose by the persons claiming to be so entitled. Such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or other Shareholder Information to all persons interested (whether jointly with or as claiming through or under him) in the share. Until such an address has been supplied, a notice or other Shareholder Information may be given in any manner in which it might have been given if the death or bankruptcy or other event giving rise to the transmission of the share by operation of law had not occurred and if so sent or supplied shall be deemed to have been duly sent or supplied in respect of any share registered in the name of such member as sole or first-named joint holder. Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register, has been duly given to a person from whom he derives his title provided that such person shall not be bound by any such notice given by the Company under section 793 of the Act or under Article 60.

190. UNTRACED MEMBER NOT ENTITLED TO NOTICES
