About S4 Capital

S4Capital plc (SFOR.L) is the tech-led, new age/new era digital advertising and marketing services company, established by Sir Martin Sorrell in May 2018.

Its strategy is to build a purely digital advertising and marketing services business for global, multinational, regional, local clients, and millennial-driven influencer brands. This will be achieved by integrating leading businesses in three practice areas: Content, Data&Digital Media and Technology Services, along with an emphasis on "faster, better, more efficient" executions in an always-on consumer-led environment, with a unitary structure.

Digital is by far the fastest-growing segment of the advertising market. S4Capital estimates that in 2021 digital accounted for over 60% or \$420-450 billion of total global advertising spend of \$700-750 billion (excluding over \$500 billion of trade promotion marketing, the primary target of the Amazon advertising platform) and projects that by 2022 total global advertising spend will expand to \$770-850 billion and digital's share will grow to approximately 65% and by 2024 to approximately 70%, accelerated by the impact of covid-19.

In 2018, S4Capital combined with MediaMonks, the leading AdAge A-listed creative digital content production company led by Victor Knaap and Wesley ter Haar and then with MightyHive, the market-leading digital media solutions provider for future thinking marketers and agencies, led by Peter Kim and Christopher S. Martin.

Since then, MediaMonks and MightyHive have combined with more than 25 companies across Content, Data&Digital Media and Technology Services. For a full list, please see the S4Capital website.

In August 2021, S4Capital launched its unitary brand by merging MediaMonks and MightyHive into Media.Monks, represented by a dynamic logo mark that features MightyHive's iconic hexagon. As the operational brand, Media.Monks underpins S4Capital's agility, digital knowledge and efficiency and is the next step in delivering on its foundational promise to unify Content, Data&Digital Media and Technology Services.

Victor Knaap, Wesley ter Haar, Christopher Martin, Scott Spirit and Mary Basterfield all joined the S4Capital Board as Executive Directors. The S4Capital Board also includes Rupert Faure Walker, Paul Roy, Daniel Pinto, Sue Prevezer, Elizabeth Buchanan, Naoko Okumoto, Margaret Ma Connolly, Miles Young and Colin Day.

The Company has 9,100 people in 32 countries with approximately 70% of revenue across the Americas, 20% across Europe and 10% across the Middle East and Africa and Asia-Pacific. The longer-term objective is a split of 60%:20%:20%. Content currently accounts for approximately 60% of revenue, Data&Digital Media 30% and Technology Services 10%. The long-term objective is a split of 50%:25%:25%.

Sir Martin was CEO of WPP for 33 years, building it from a £1 million "shell" company in 1985 into the world's largest advertising and marketing services company, with a market capitalisation of over £16 billion on the day he left. Prior to that Sir Martin was Group Financial Director of Saatchi & Saatchi Company Plc for nine years.
