About S⁴Capital

S4Capital plc (SFOR.L) is the tech-led, new age/new era digital advertising, marketing and technology services company, established by Sir Martin Sorrell in May 2018.

Our strategy is to build a purely digital advertising and marketing services business for

global, multinational, regional, and local clients, and millennial-driven influencer brands. This will be achieved by integrating leading businesses in three practices: Content, Data&Digital Media and Technology Services, along with an emphasis on 'faster, better, cheaper, more' execution in an always-on consumer-led environment, with a unitary structure. Victor Knaap, Wesley ter Haar, Christopher S. Martin, Scott Spirit and Mary Basterfield all joined the S4Capital Board as Executive Directors. The S4Capital Board also includes Rupert Faure Walker, Paul Roy, Daniel Pinto, Sue Prevezer, Elizabeth Buchanan, Naoko Okumoto, Margaret Ma Connolly, Miles Young and Colin Day.

The Company now has approximately 7,700 people in 32 countries with approximately 80% of net revenue across the Americas, 15% across Europe, the Middle East and Africa and 5% across Asia-Pacific. The longer-term objective is a geographic split of 60%:20%:20%. Content currently accounts for approximately 60% of net revenue, Data&Digital Media 25% and Technology Services 15%. The long-term objective for the practices is a split of 50%:25%:25%.

Sir Martin was CEO of WPP for 33 years, building it from a £1 million 'shell' company in 1985 into the world's largest advertising and marketing services company, with a market capitalisation of over £16 billion on the day he left. Prior to that Sir Martin was Group Financial Director of Saatchi & Saatchi Company Plc for nine years.
