About S⁴Capital

Our strategy is a purely digital advertising and marketing services business for global, multinational, regional, and local clients, and millennial-driven influencer brands. The business operates through two data and digital media driven Practices: Marketing Services and Technology Services, emphasising 'faster, better, cheaper, more' execution in an always-on consumer-led environment. Its unitary structure positions the Company as a systems integration partner delivering real-time relevance in the post-agency era.

The Company now has approximately 6,350 people in 33 countries with approximately 80% of net revenue across the Americas, 15% across Europe, the Middle East and Africa and 5% across Asia-Pacific. The longer-term objective is a geographic split of 60%:20%:20%. Marketing Services accounted for approximately 90% of net revenue, and Technology Services 10%. The longer-term objective is a practice split of 75%:25%.

Sir Martin was CEO of WPP for 33 years, building it from a £1 million 'shell' company in 1985 into the world's largest advertising and marketing services company, with a market capitalisation of over £16 billion on the day he left. Prior to that Sir Martin was Group Financial Director of Saatchi & Saatchi Company Plc for nine years.
